**June 2026 NEWSLETTER of the PALMERSTON NORTH BRANCH**  
**NEW ZEALAND DIVISION ROYAL AERONAUTICAL SOCIETY**

---

At the May Branch meeting, Warwick Jones told us much about the Museum at RAAF Amberley, and the extensive collection of aircraft and artifacts that are held there. RNZAF has a long history of association with RAAF Amberley.

I have done an audit that has defined the branch membership. We have 47 financial branch members who have paid subs for this year, plus 16 Society members who pay their subs to Division who then pay a fee back to the Branch. It is good to get a definite picture of what our membership actually is, and it is greater than I thought it was. Thank you to all members for your support.
